

SERVICE AND REPAIRS

Vest's Sales And Service, Inc. has been servicing public safety departments all across VA , NC, WV, & TN for over 25 years. And with that we have obtained a very loyal customer base who knows they can count on our experienced technicians for quality work, fair prices, and world class customer service! As volunteers in our own communities we realize how important fast service and long lasting dependable products are to our customers! We are always striving to further educate and train our technicians and staff to better serve our customers needs and ensure the best possible service is maintained no matter what brand apparatus you have now!
